- Who do they see?
- Eyes locked on them Mt.14.30 Look at Jesus!

Looking at us should give the broken a vision for their own future. We should be the preview to their movie! BCM

3. Leaders who are authentic produce results

If you call yourself a leader and no one is following, you're just taking a walk! Bishop Charles E. Williams

- Took him by the hand
- Lifted him up
- Results produce church growth, not programs!
- "Follow me and I will, ake you fishers of men" Mt. 4.19
